ONE THOUSAND STENOGRAPHERS AND TYPISTS WANTED FOR IMMEDIATE USE

That is what one Government department alone has requested. We also have many calls from commercial houses which we are unable to fill on account of a lack of eligibles. Most of the Government departments now pay entrance salaries of \$1.440 a year for Stenographers and \$1.340 a year for Typisis. We just received a call from one of the departments today, asking us to supply them with a Stenographer at a salary of \$125 a month.

We have a few more vacancies for young men and women to take our training, and pay tuition when positions are procured. Do not positione success, but call to see us before this special offer is withdrawn. ASK FOR MR. HARWAN.
